Hi Tilly

Just a small message to say thank you so very much for my beautiful hamper. The quality of the local produce is amazing and your attention to detail makes it a real pleasure to receive, especially as a surprise gift!

I'll definitely be recommending you to all of my friends and family.

Thanks again 🥰

Thank you so much. I've already spoken to my mother in law who received the first one and she is absolutely over the moon with it x

Tilly I only wanted to say thank you for the hamper you delivered a gift from out grandson and family, it's especially appreciated in these hard times, we haven't been able to see them for twelve months and can't wait for a cuddle

Oh my word, he was delighted with the hamper, has been raving about it! Thank you so much Tilly x
